

Submission of Replacement Formal Drawing

Replacement drawing sheet 7/33 is submitted herewith to replace original drawing sheet 4/33, in order to correct "102" to --103-- in Fig. 7.

Approval and entry of this replacement drawing sheet for Fig. 7 are respectfully requested.

REMARKS

This Preliminary Amendment is presented in order to: (1) delete multiple claim dependency to reduce the required filing fee; (2) effect amendments to the specification, claims and drawings that were made in the international application under PCT Article 34; and (3) make a few minor editorial corrections in the claims and specification

A replacement drawing sheet is submitted herewith for Fig. 7, in order to correct "102" to --103--.

The amendments made in the international application were presented in two Replies, and these Replies included comments. English language translations of the comments are attached as Attachments L and M. Also, Informal Comments were submitted in the international application in response to the Written Opinion of the International Searching Authority, and an English translation of these Informal Comments is attached as Attachment N.

Respectfully submitted,

Yoshihiro MORIOKA et al.
